## PACE OF PLAY

**VERY IMPORTANT - We can all help speed up play by following these simple practices. Please take a club and walk to your shot while your cart partner is playing his shot. This will enable you to be ready to play your shot immediately and should cut a considerable amount of time off your round. (PLAY READY GOLF)**

**In closing, Have a great season and if we can assist you in anyway, please don't hesitate to call on us. We want your time with us to be nothing but enjoyable.**
